Dear Prospective Sponsors,

The Regalettes, Inc., Sisters Involved In Linking Knowledge (SIILK), in partnership with EXPO Center in Los Angeles invite you to become a sponsor for our 1st Annual “Hats, Heel and High Tea” Fundraiser to benefit our 2018 Teen Leadership Conference, Scholarship programs, and STEM (Science, Technology, Engineering, and Mathematics).

This will be a day of inspiration and motivation to support our organizations. Our programs are designed to create educational opportunities, promote civic engagement, and foster community mentoring for our youth. This exciting event will be held on Saturday, April 21, 2018 at the EXPO Ahmanson Senior Center located at 3990 Bill Robertson Lane, Los Angeles, CA 90037, 12:00 noon – 3:00 p.m.

Our goal is to raise \$20,000 to fund our programs. We possess a shared passion to highly invest in our youth’s education, academic achievements and leadership development. This past summer, Regalettes, Inc., SIILK, in partnership with EXPO co-sponsored a Teen Leadership Conference. The one-day summit was focused on African-American and other minority girls ages 11-17 from underserved and at-risk communities. We featured interactive workshops hosted by a dynamic panel of prominent speakers. The core values were positive self-esteem and empowerment. Students were free to interact and express themselves in a safe and nurturing environment with parental participation. Many gifts, talents, and skills were revealed. The participants had the opportunity to explore potential career options and ways to create their individual paths into adulthood. This mentoring experience had significant impact. With your support, we will host another conference, provide scholarships, and continue to provide exposure to STEM projects.

We can accomplish our goal with your generous donations and sponsorships. Enclosed you will find information for this event and its sponsorship levels. We offer three levels of sponsorship; the costs and benefits of each are outlined for your review and consideration. We must persist in helping our youth pursue strong and healthy paths as they grow.

“Education is for improving the lives of others and for leaving your community and the world better than you found it.”

~Marian Wright Edelman

For additional information, please contact Lois Buckman or Barbara Cash, visit our websites at www.regalettes.org, and www.siilk.org. Our youth need your help and your support.

Thank you in advance for your consideration.
